BIP
BIOINSPIRED
PROCESSING

IEEE
Advancing Technology for Humanity

The organizing committee certifies that

Juan De Dios Murillo Morera

had presented the paper

A framework for hyperparameter configuration in the context of software defect density prediction using bio-inspired optimization algorithms

in the 7th IEEE International Conference on BioInspired Processing (BIP 2025)

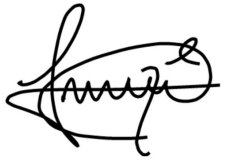

held in Universidad Nacional, Campus Pérez Zeledón, Costa Rica
on December 3rd, 4th and 5th, 2025.

Esteban Meneses Rojas, PhD.

BIP 2025 General Chair

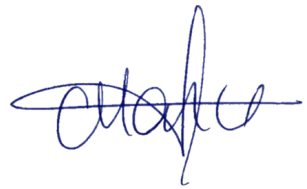

Centro Nacional de Alta Tecnología

Felipe Meza Obando, PhD.

BIP 2025 Programme Chair

Instituto Tecnológico de Costa Rica

Cindy Jiménez Picado, M.Sc.

Elected President

IEEE Costa Rica Section

UNIVERSIDAD DE COSTA RICA

TEC | Tecnológico de Costa Rica

UNA UNIVERSIDAD NACIONAL COSTA RICA

UNED UNIVERSIDAD ESTATAL A DISTANCIA

UTN Universidad Técnica Nacional
