Dear Alessandro Cambronero ,

We are glad to inform you that your paper, “A framework for hyperparameter configuration in the context of software defect density prediction using bio-inspired optimization algorithms”, has been accepted for presentation and inclusion in the BIP 2025 proceedings.

Congratulations on this achievement, and thank you for your contribution to the conference.

The deadline for submitting the camera-ready version is October 31.
Please, make sure to incorporate all the comments of reviewers into the final version of the paper.
More details about the camera-ready submission will be shared soon.

To guarantee the publication of your work in the proceedings of the conference, each paper requires at least one author registration.

For any question, please contact us at info@bipconference.org

Best regards,
BIP 2025 Organizing Committee
